

MOTHER'S DAY BUILD A BOUQUET

Instruction:

Print the template on cardstock paper.

Color the flowers, tag and bouquet cover.

Add a personalized message to the tag.

Paste the side of the bouquet cover to its opposite side to create a circle.

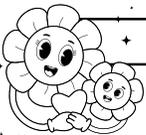

Gently flatten the bouquet cover by folding it in two places as shown on page 3.

Paste the back side of the stem of the flowers inside the bouquet cover.

Stick the tag with your personalized message sticking out of the bouquet so it can be taken out and read.
