

# EASTER EGG HOLDER

## **Materials Needed:**

- Printable template
- Scissors
- Glue
- Tape

## **Instructions:**

1. Print the Easter egg holder template on sturdy paper for better durability.
2. Cut out all the template pieces carefully along the solid lines.
3. Fold along the dotted lines to create creases where needed.
4. Glue the triangular flaps to the feet of the design to provide stability.
5. Form the ring by taping the remaining flaps to the backside of the rectangular body, ensuring it holds its shape.
6. Place your Easter egg inside the holder and enjoy!
