Finger Puppets

EASTER FINGER PUPPETS

Materials Needed:

- Printable template
- Scissors
- Coloring materials (crayons, markers, or colored pencils)
- Glue or double-sided tape

Instructions:

1. Print out the Easter finger puppet template.
2. Choose a puppet and color it however you like.
3. Carefully cut out the finger puppet and the strips provided.
4. Create a loop by attaching both ends of a strip together with glue or double-sided tape. Make sure it fits comfortably around your finger (this will be the puppet's "ring").
5. Attach the back of your colored finger puppet to the ring using glue or tape.
6. Press firmly to secure it in place.
7. Slide it onto your finger and play!
