

RECYCLE SORTING ACTIVITY

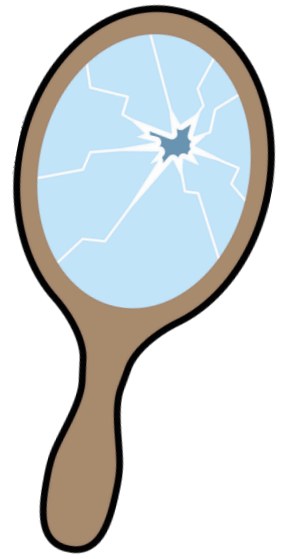

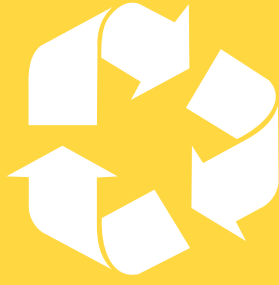

Materials Needed:

- Printable Template
- Scissors
- Glue

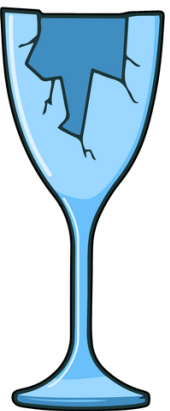

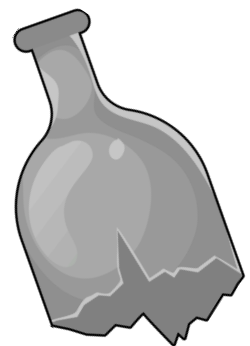

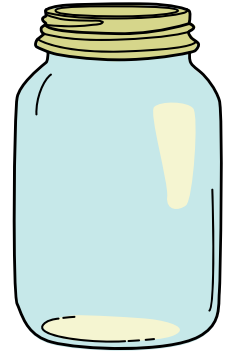

Instructions:

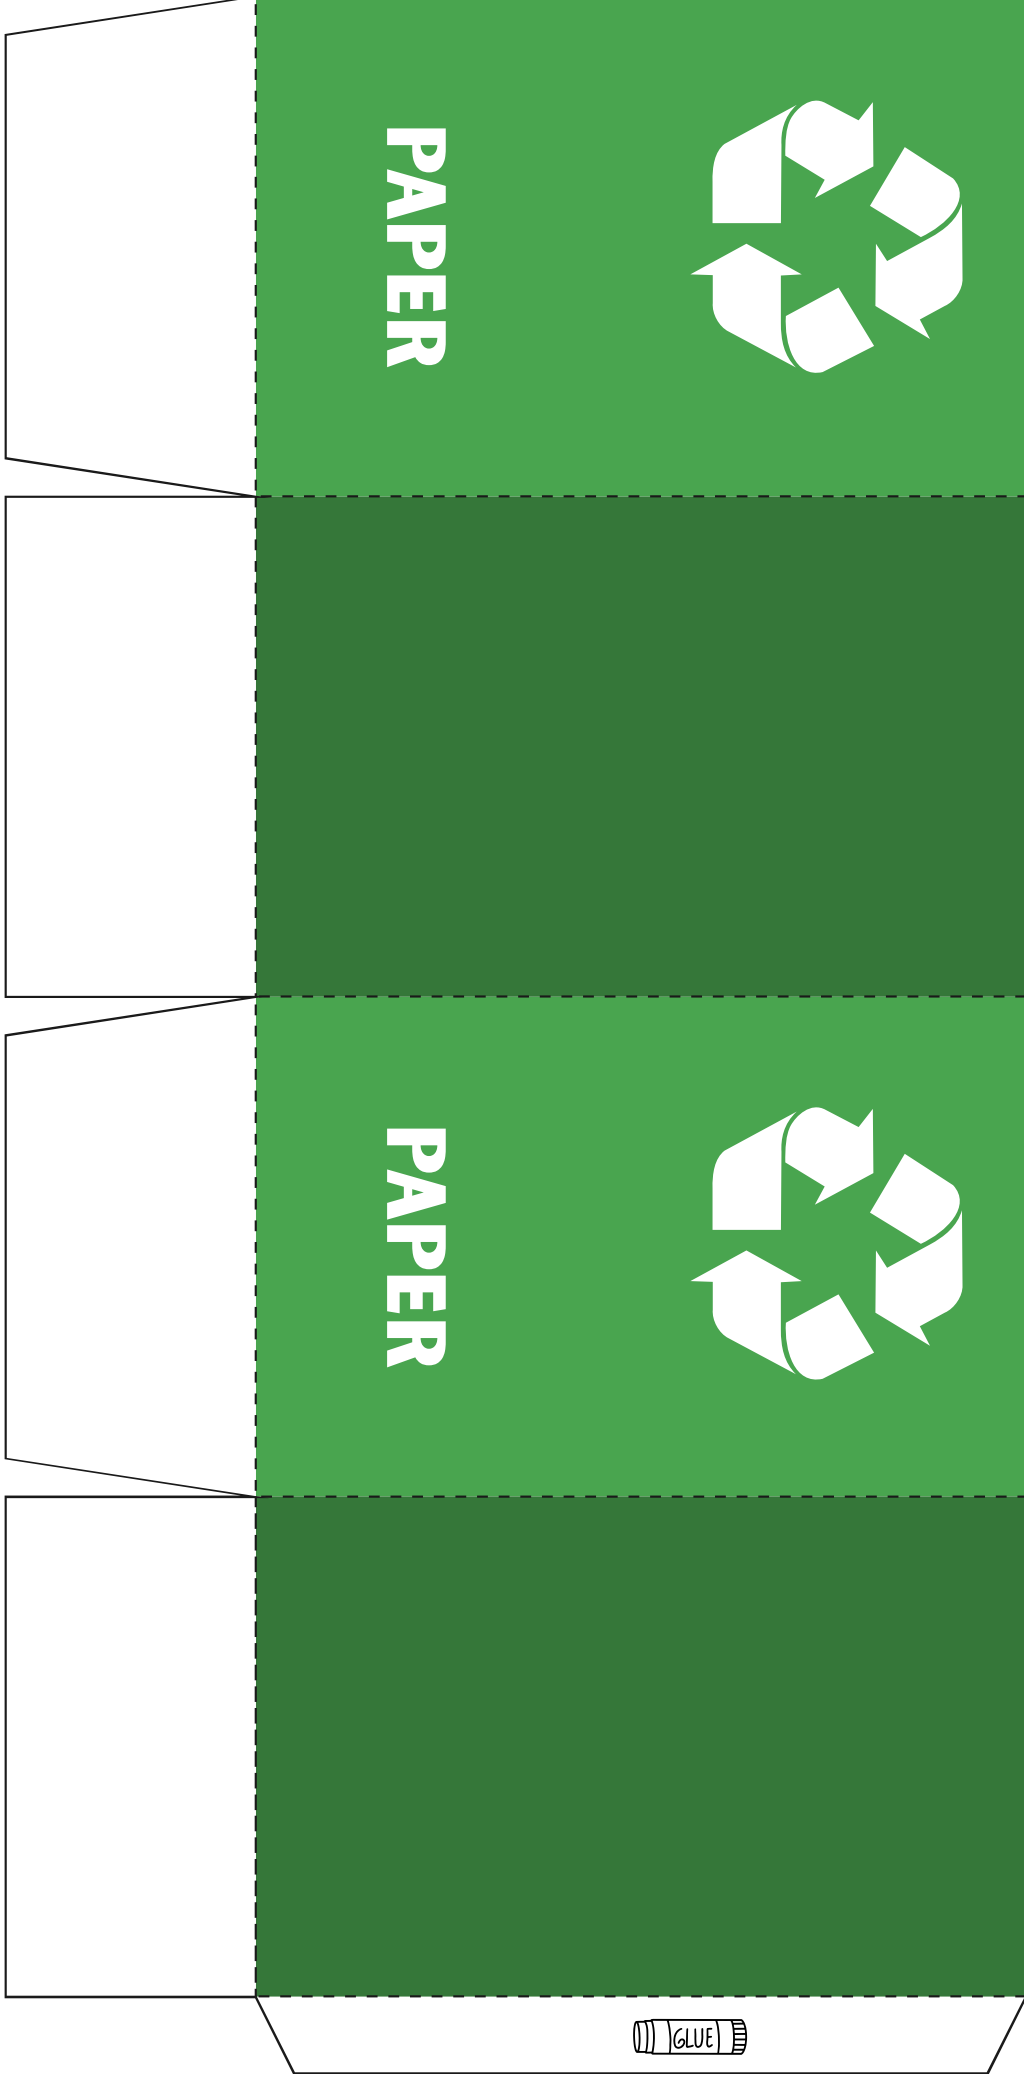

1. Print out the template.
2. Carefully cut out the pieces.
3. Fold the bins along the dotted lines.
4. Glue the long flaps to the opposite sides of the bins.
5. Glue the four bottom flaps to secure the bins so they can stand.
6. Classify each picture and place it into the correct trash bin: glass, paper, plastic, or metal.
