Trace and color the tractors.

I am a FARMER

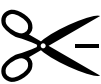

Name: _____

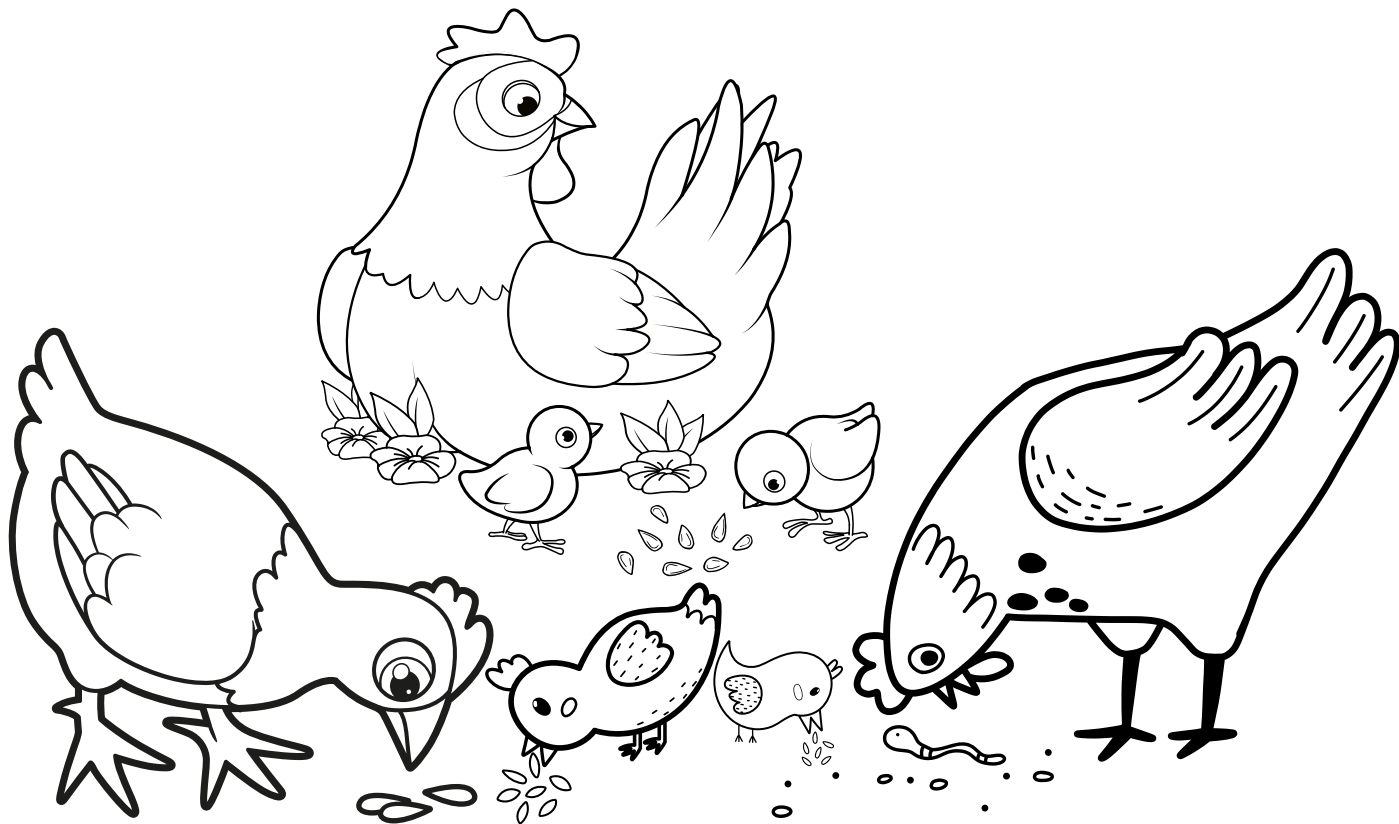

I work hard from sunrise to sunset.

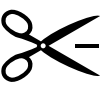

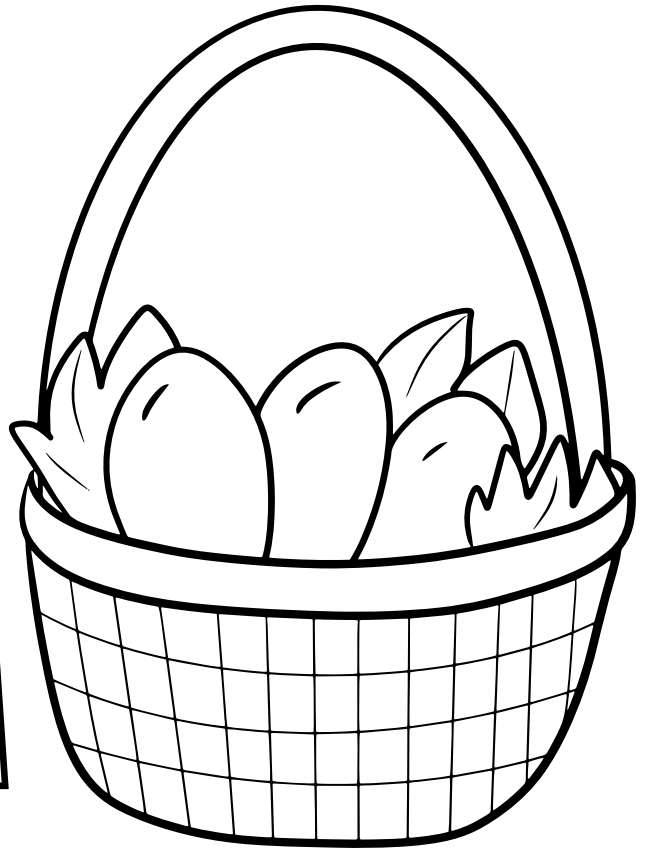

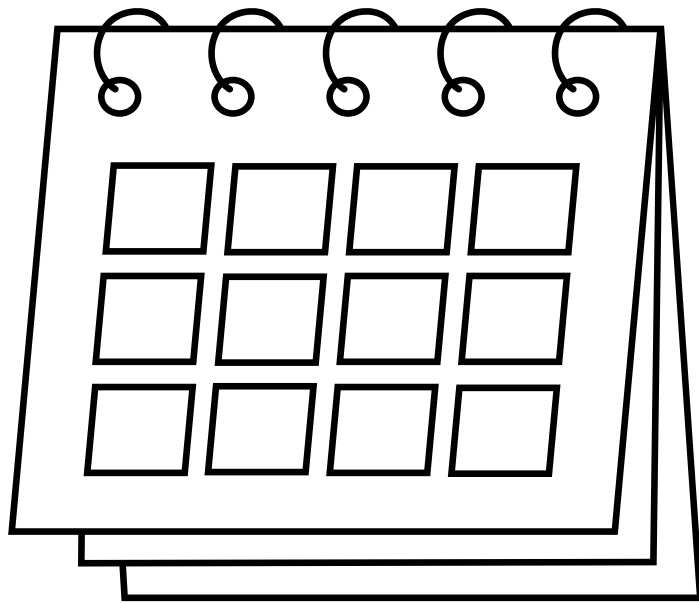

I know what my crops and animals need.

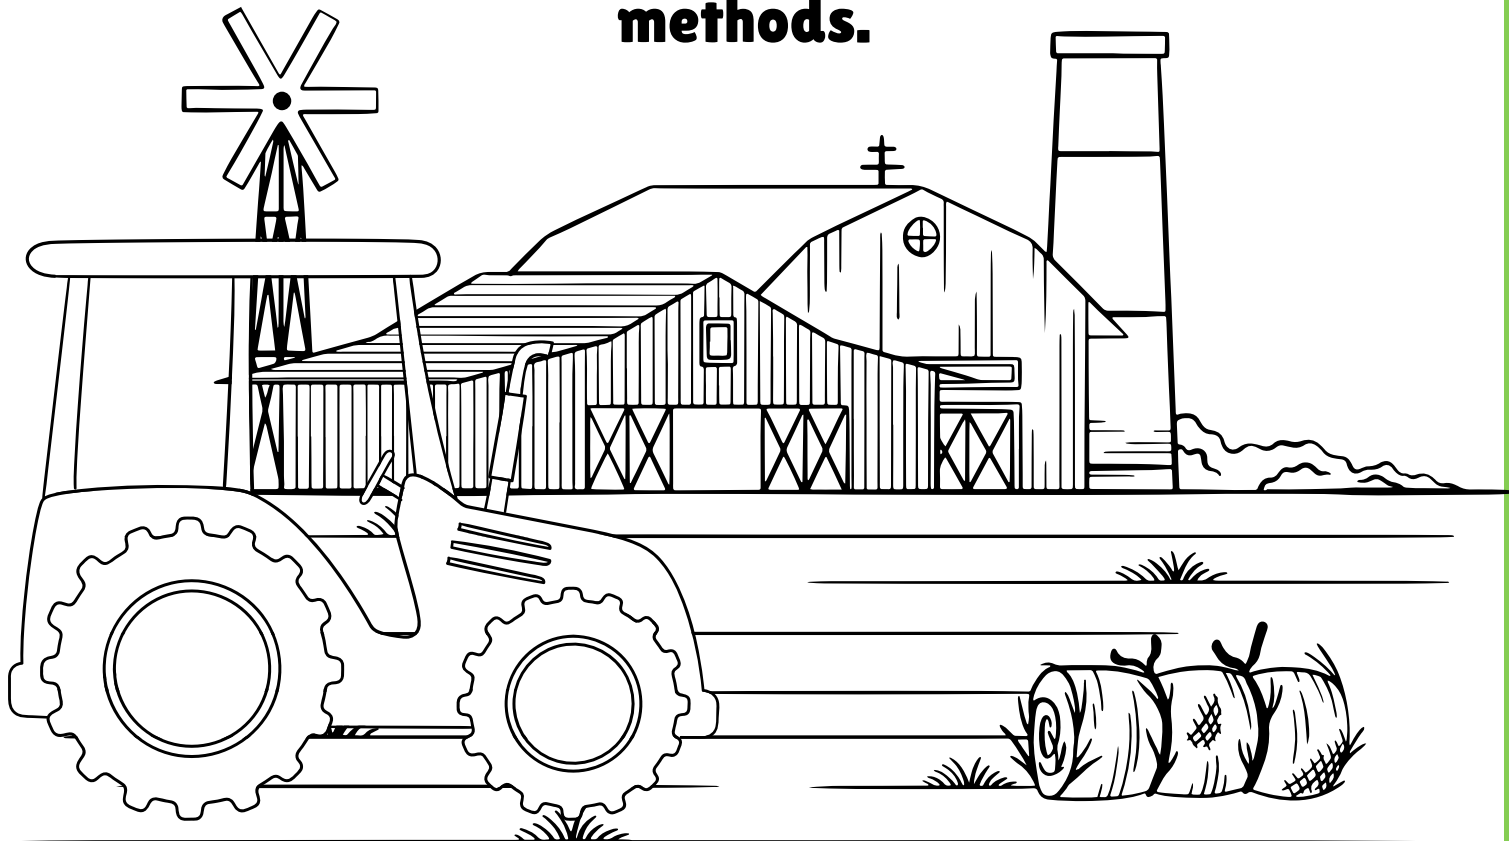

I respect nature and animals .

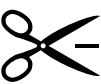

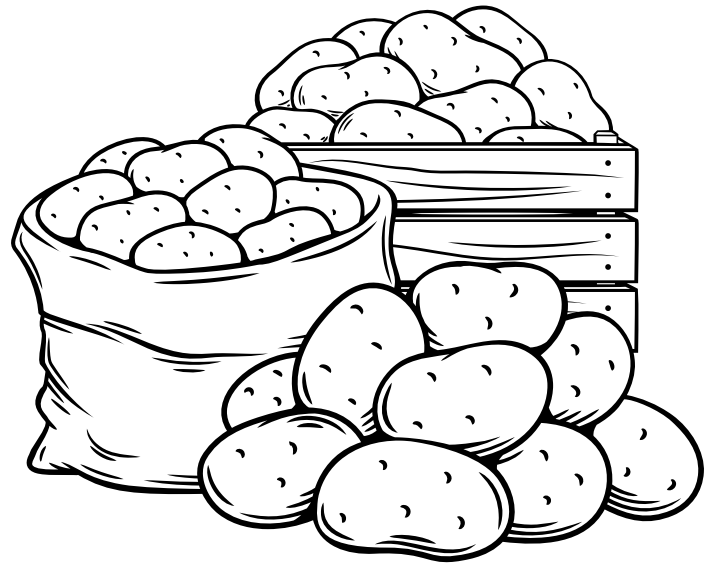

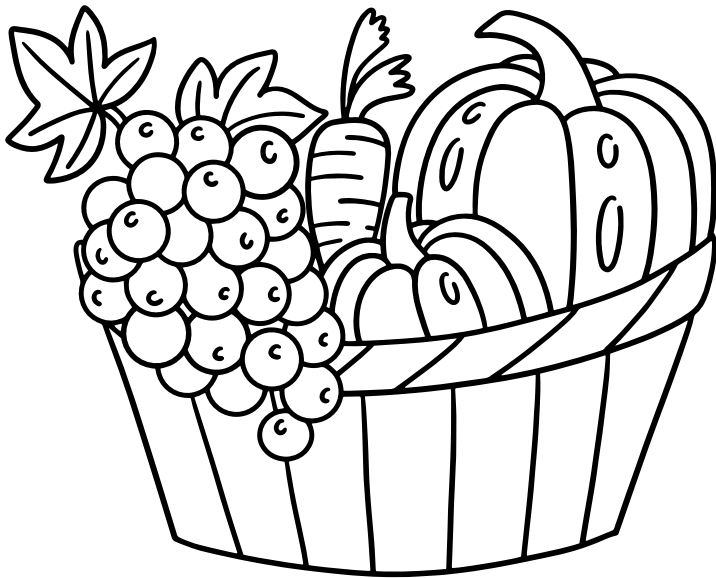

I carefully plan every season's harvest.

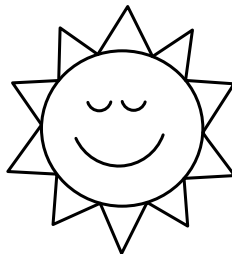

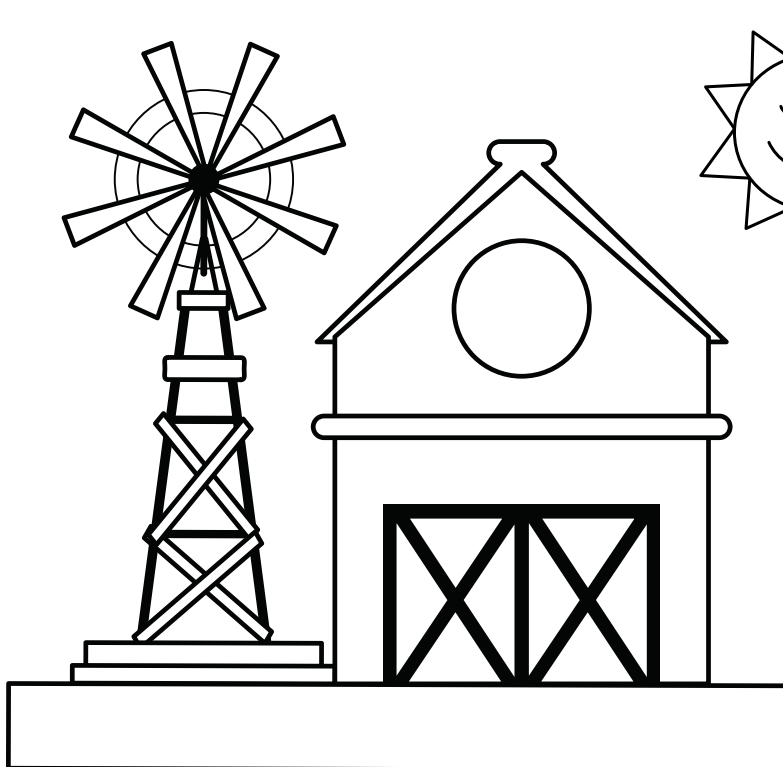

I stay updated on weather, soil, and farming methods.

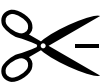

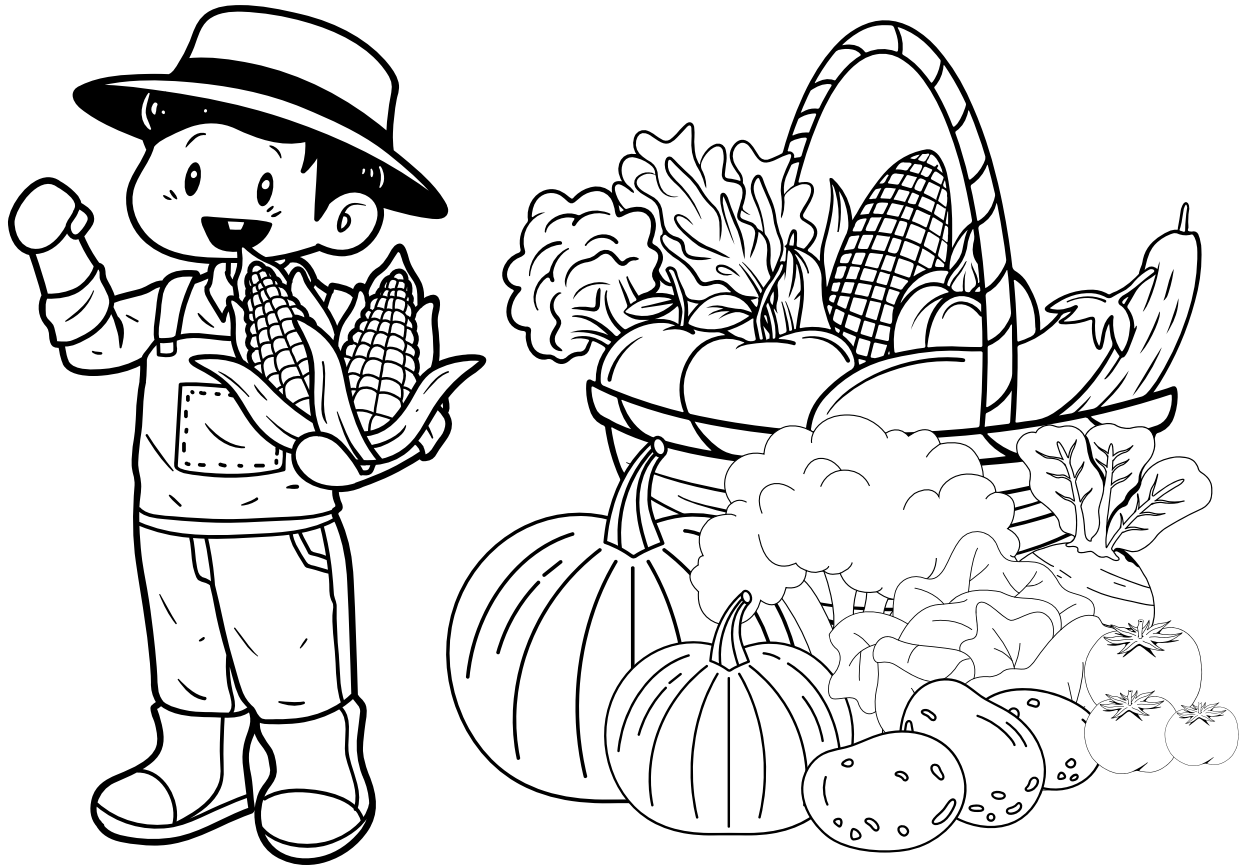

I play a vital role in providing fresh food.

I focus on growing healthy crops and raising strong animals.

I help grow food that feeds the world.

Farming takes patience, but the results are worth it!
