I am a FIREFIGHTER

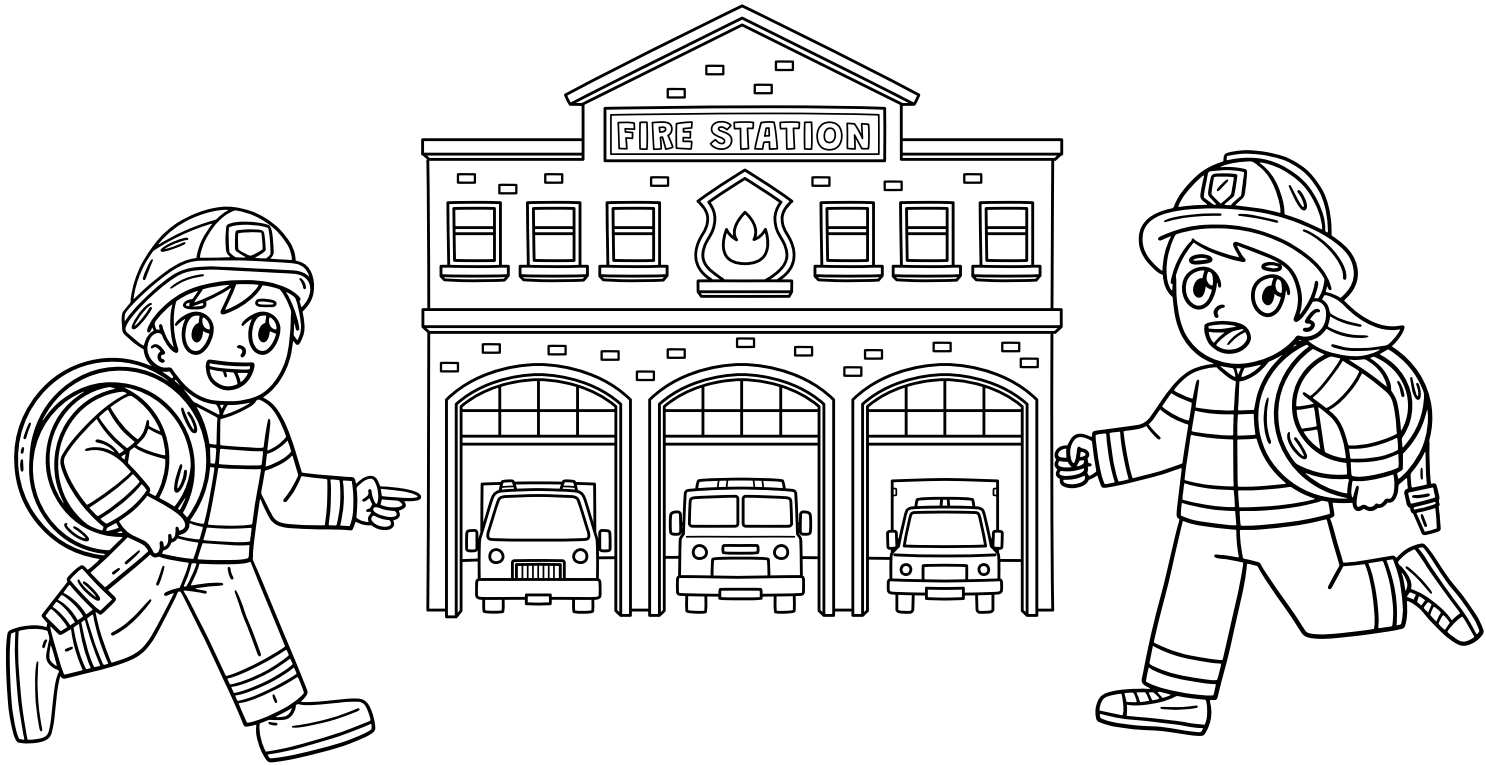

Name: _____

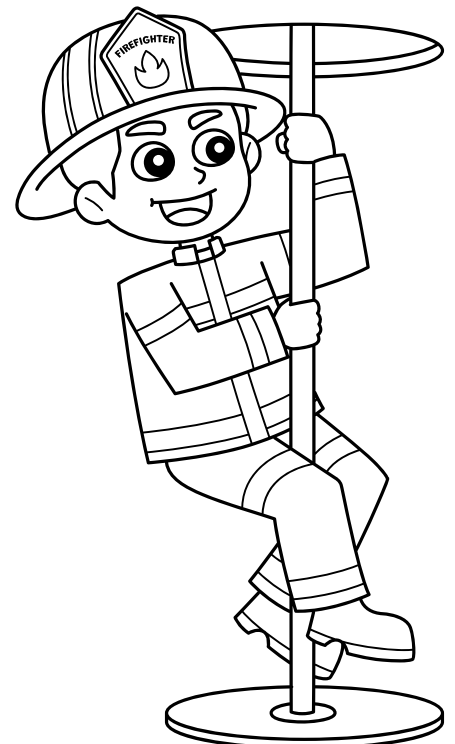

Firefighter's gear: Helmet, jacket, gloves, and boots

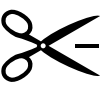

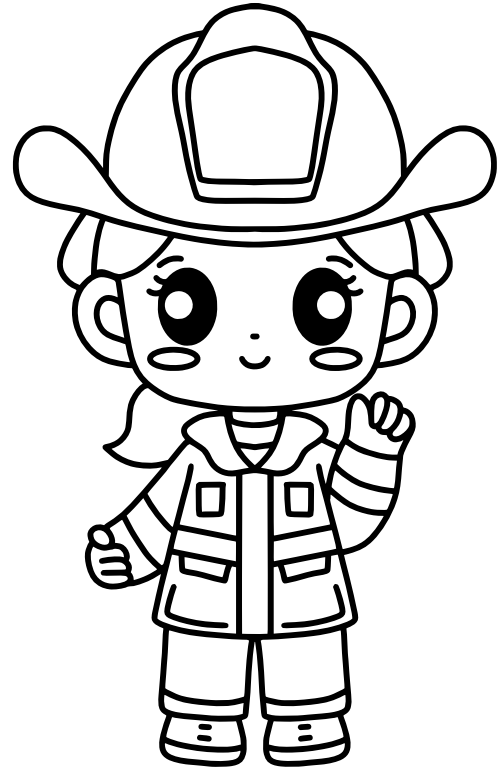

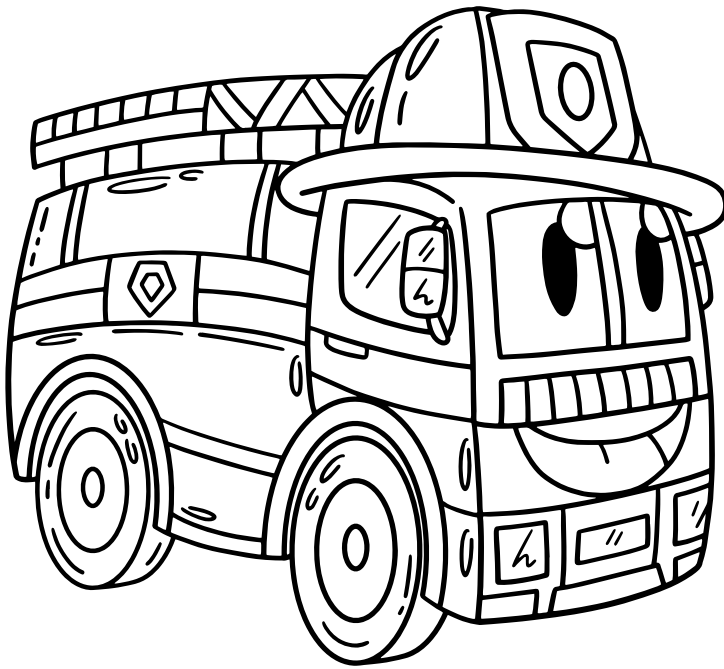

**I help keep people safe and protect buildings
from fire.**

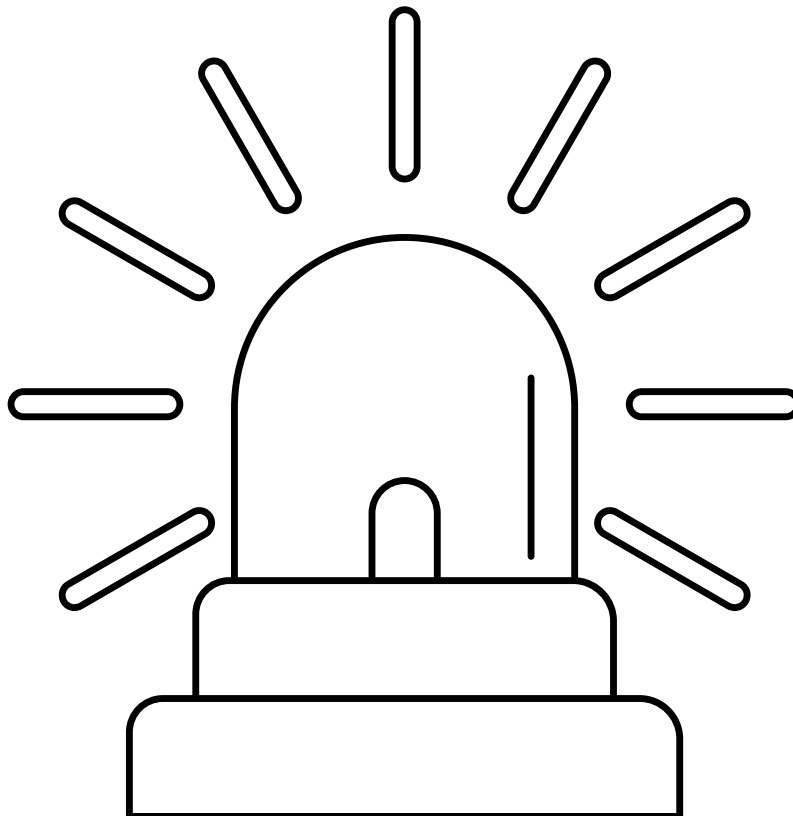

**I enjoy being brave, working as a team, and helping
my community.**

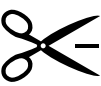

I train hard to be ready for every situation.

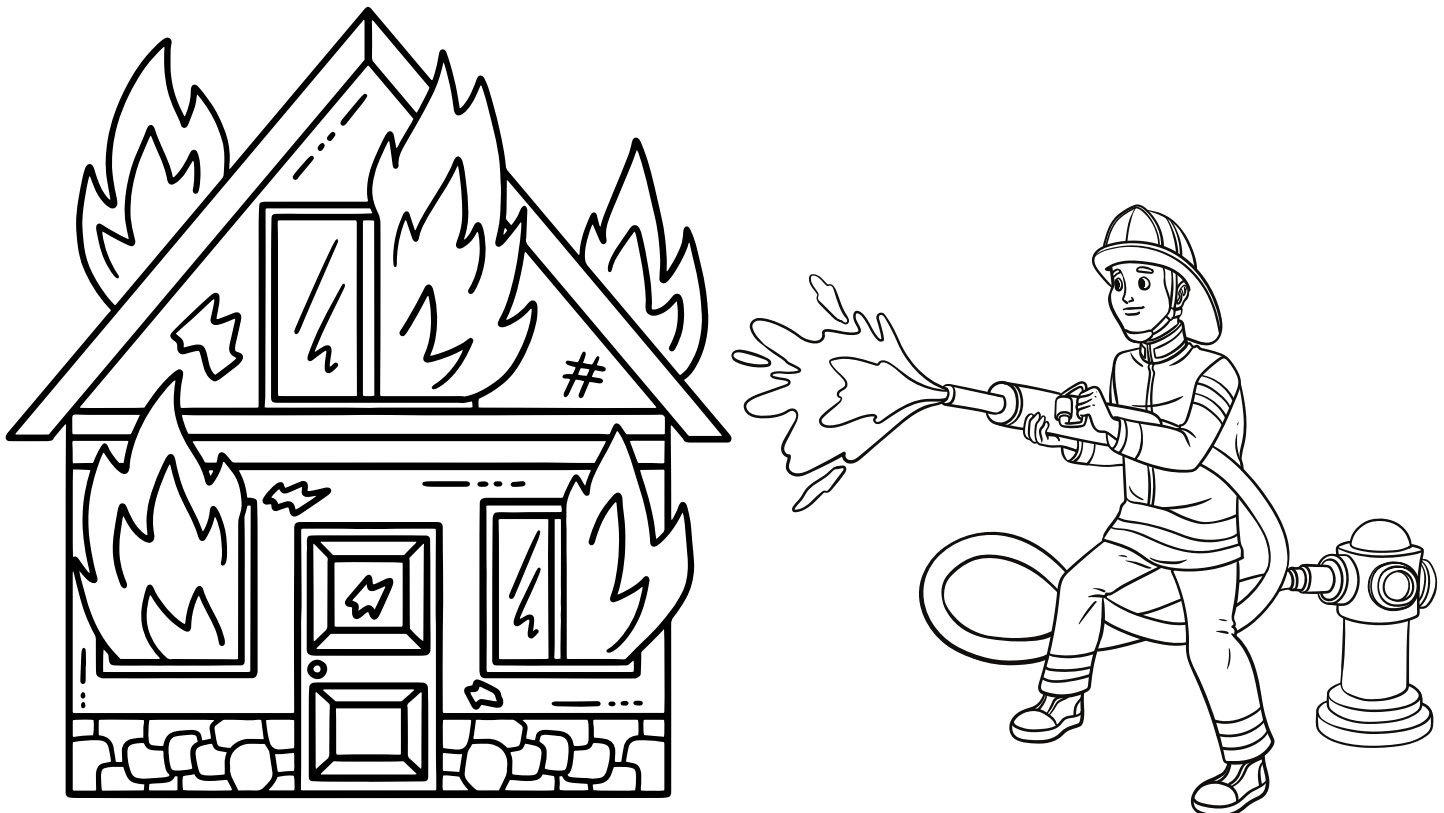

I make a difference every time I respond to a call.

I use hoses, ladders, and tools to fight fires.

I am driven to help others in times of need.

I never give up, no matter how tough the job.

And that's how I keep my community safe from fires!
