FUTURE DOCTOR IN TRAINING!

HUMAN BODY

Draw a line connecting the words to the correct part of the body.

neck

hair

chest

eye

chin

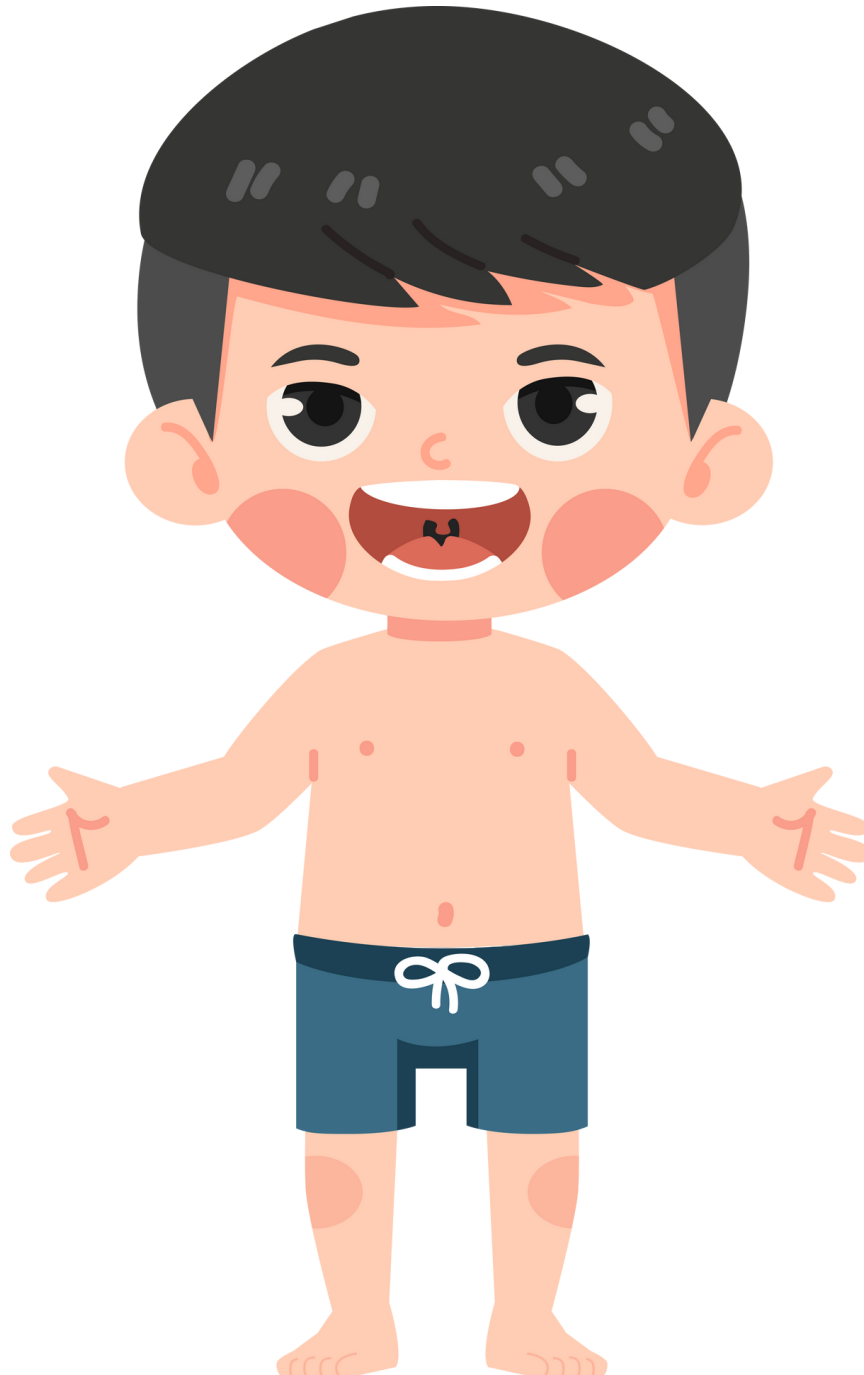

ear

hand

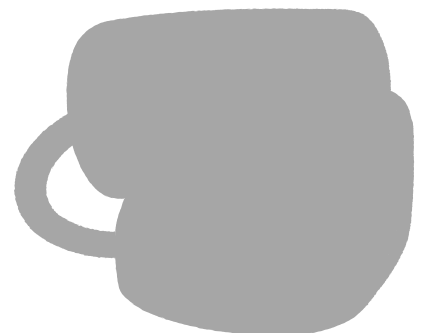

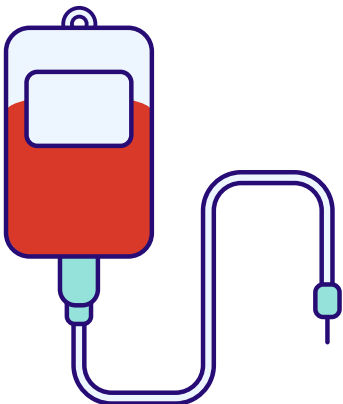

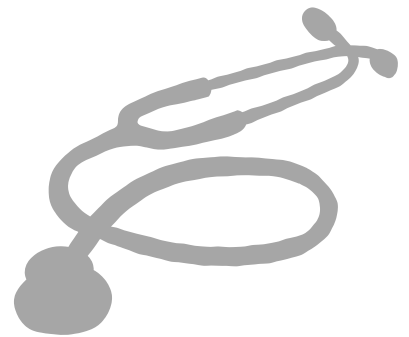

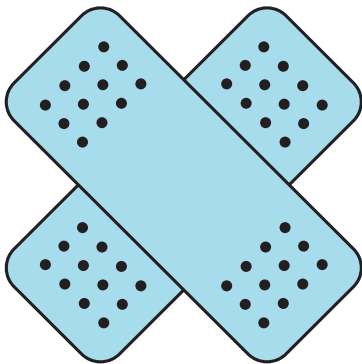

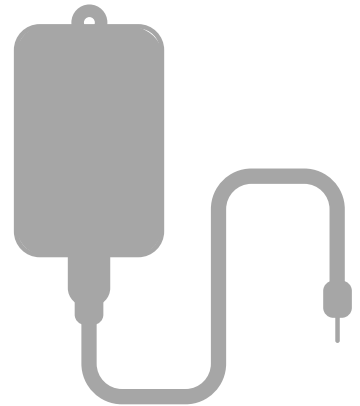

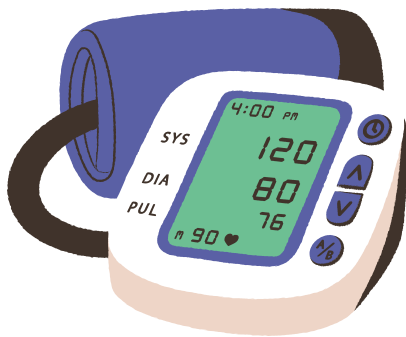

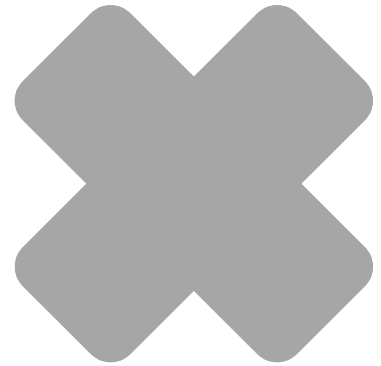

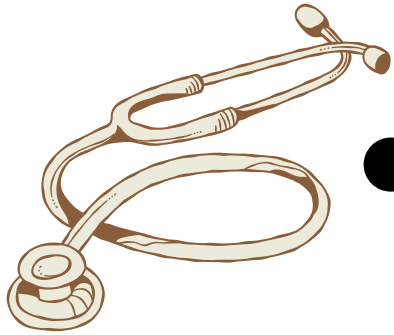

nose

foot

leg

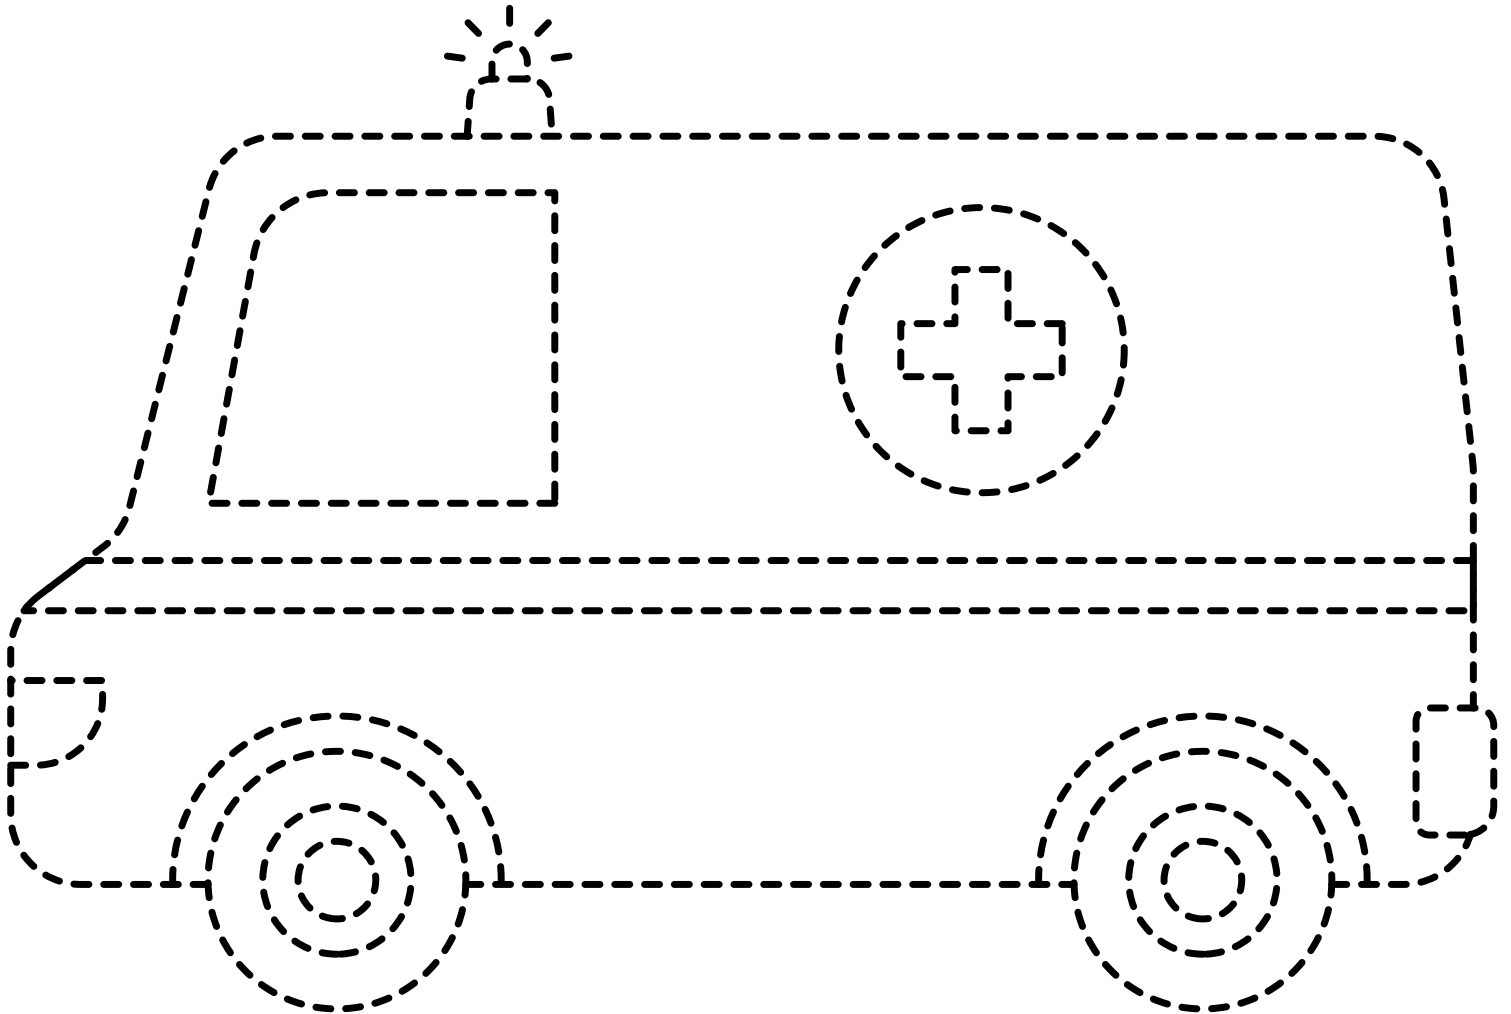

MATCH EACH ITEM WITH ITS SHADOW

TRACE THE AMBULANCE

Trace and color the image below.

SPOT THE DIFFERENCES

Mark the 5 differences.

SPOT THE DIFFERENCES

Mark the 5 differences.

MAZE

Help the doctors find their way to the patient.

DRAW A DOCTOR SCENE

Draw a picture of you as a doctor helping someone feel better.

MEDICAL TERMS

Trace the words.

Doctor

Nurse

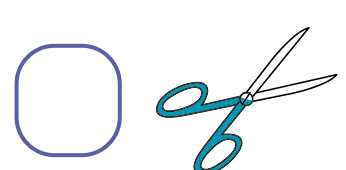

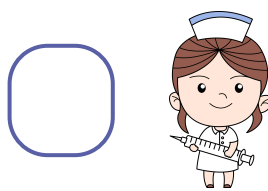

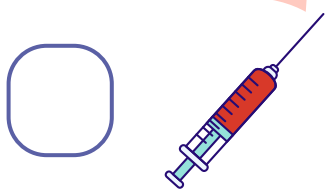

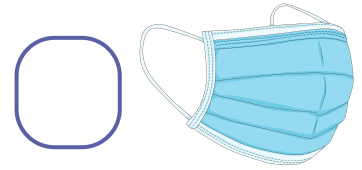

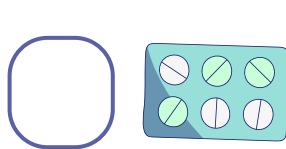

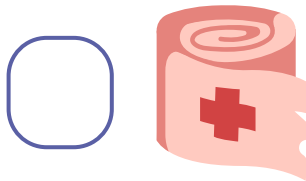

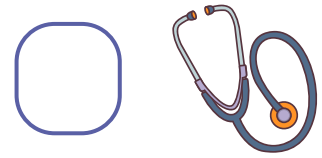

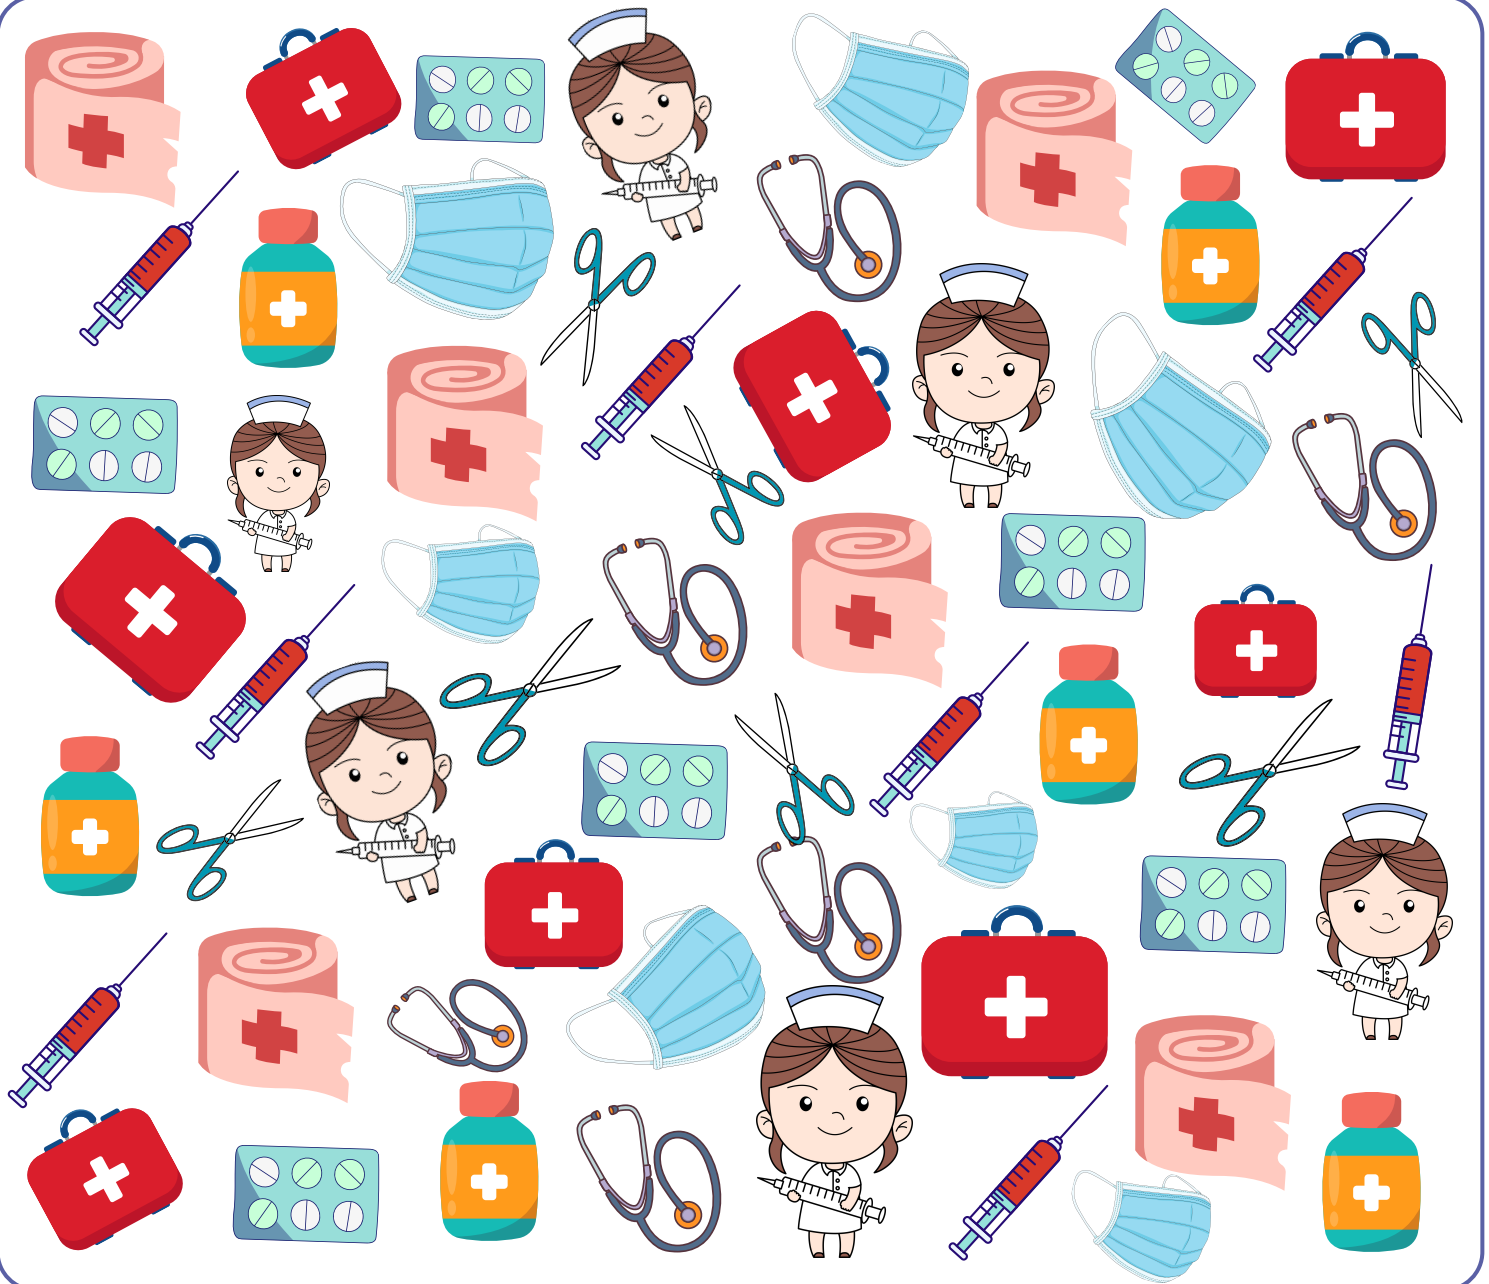

Patient

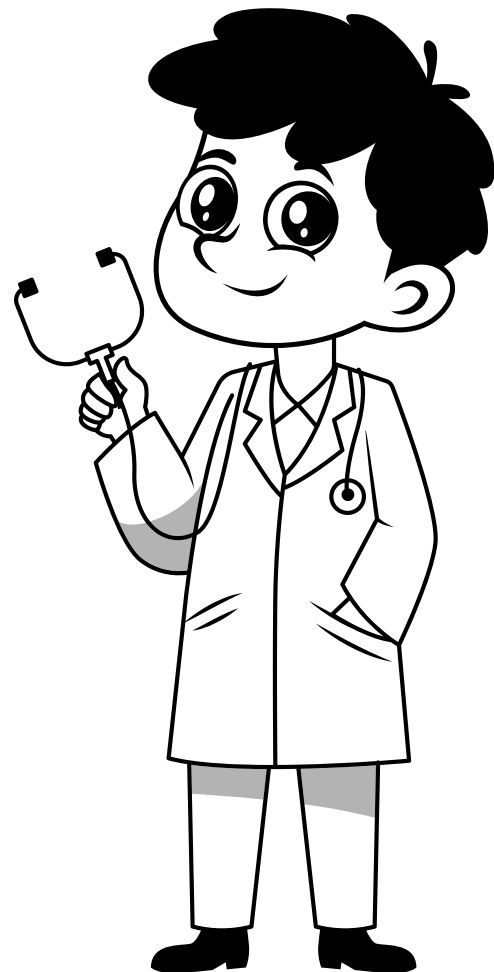

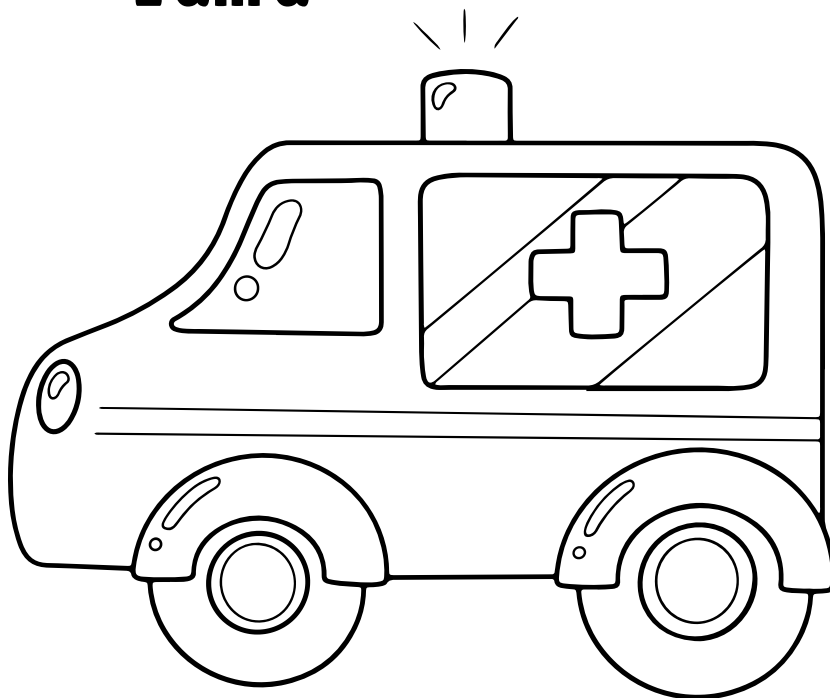

Hospital

I SPY: LITTLE DOCTOR

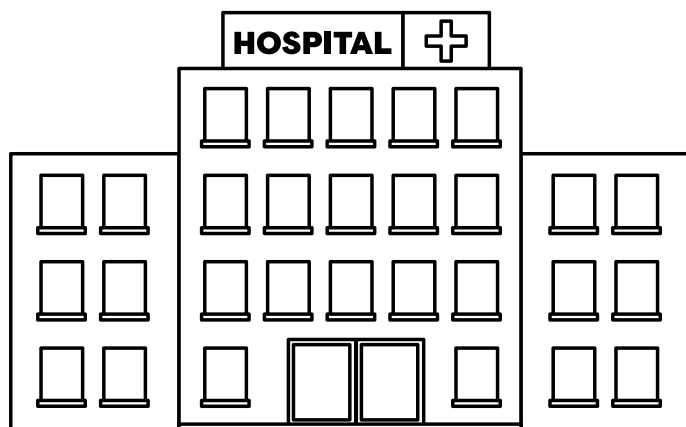

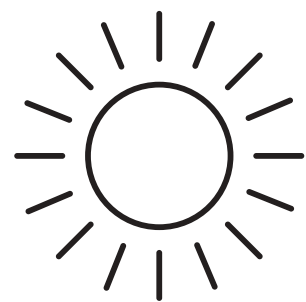

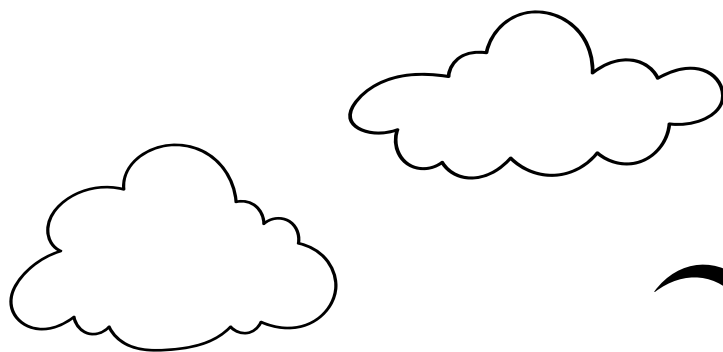

I am a **DOCTOR**

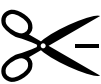

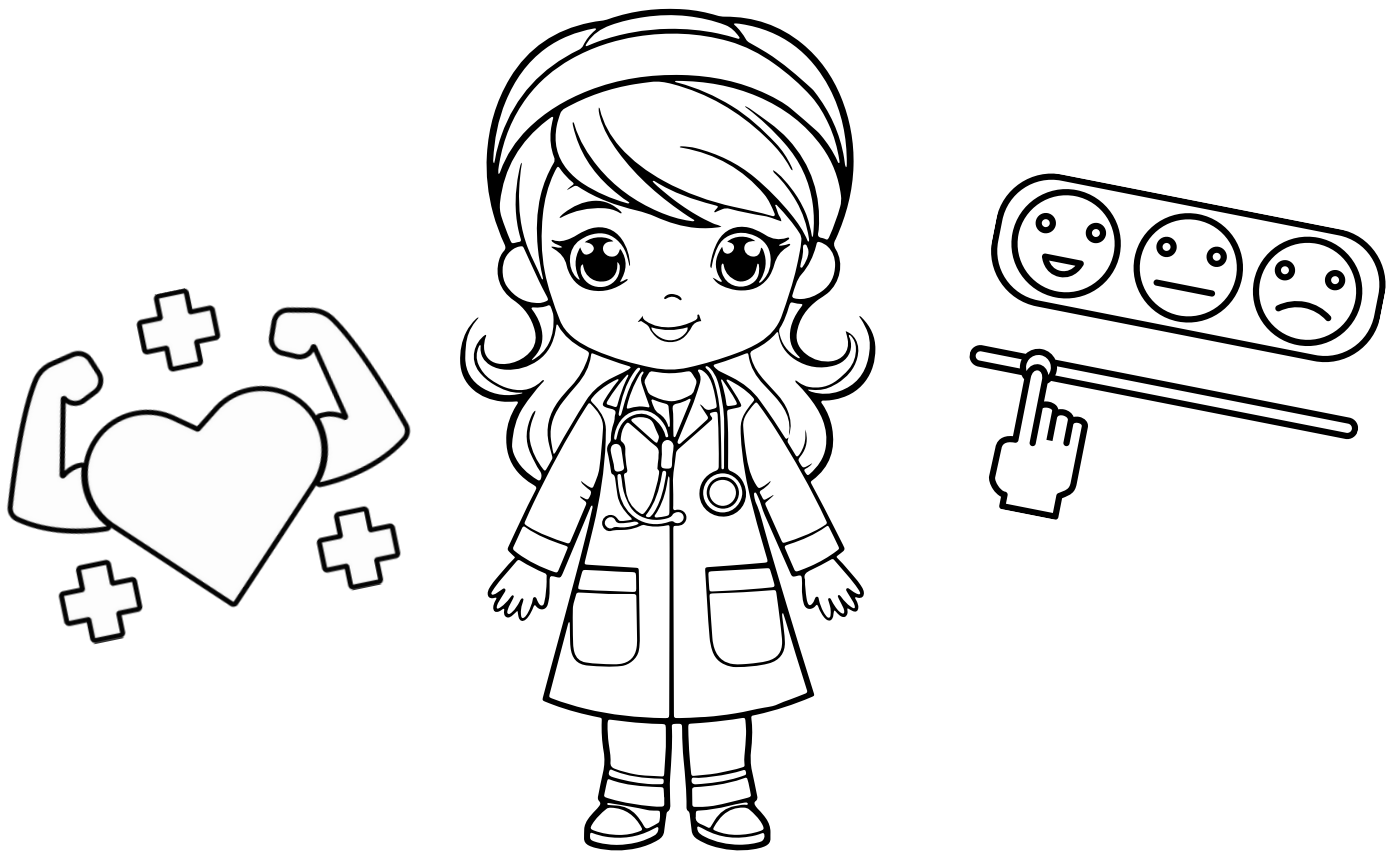

Name: _____

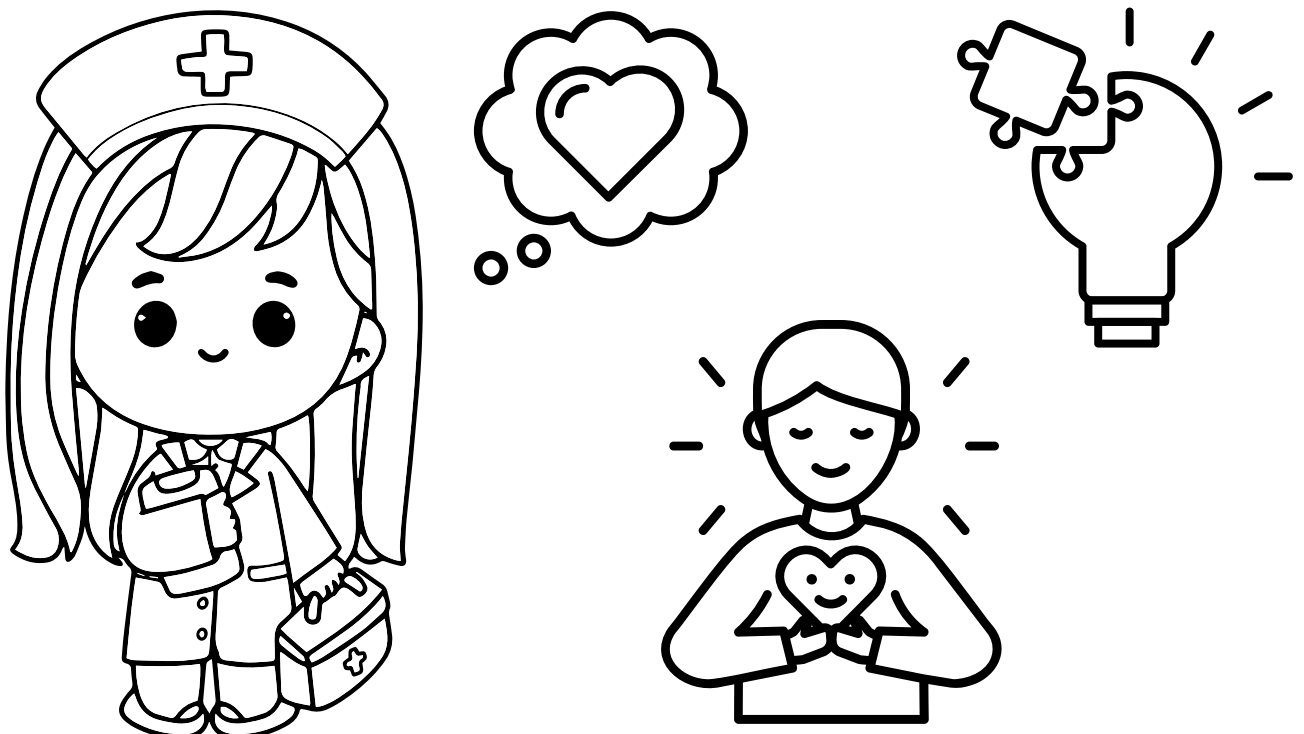

I work at a hospital or clinic.

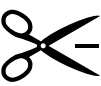

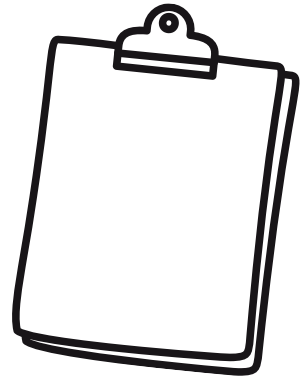

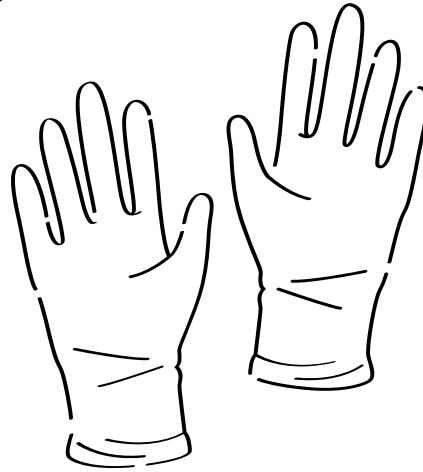

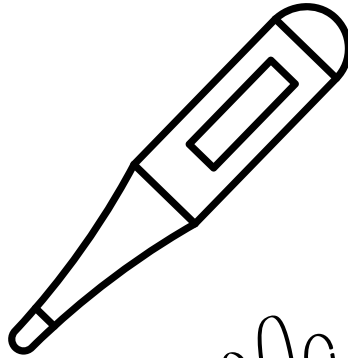

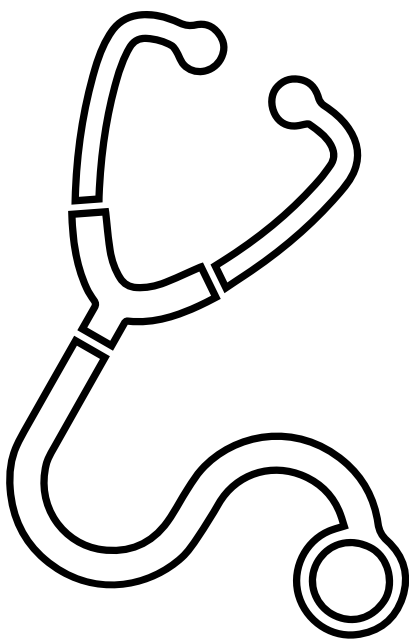

I help people feel better and stay healthy.

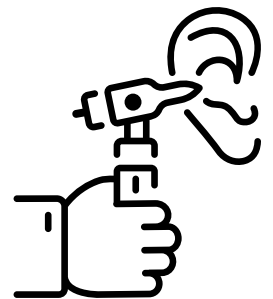

I enjoy caring for others, solving problems, and making a difference.

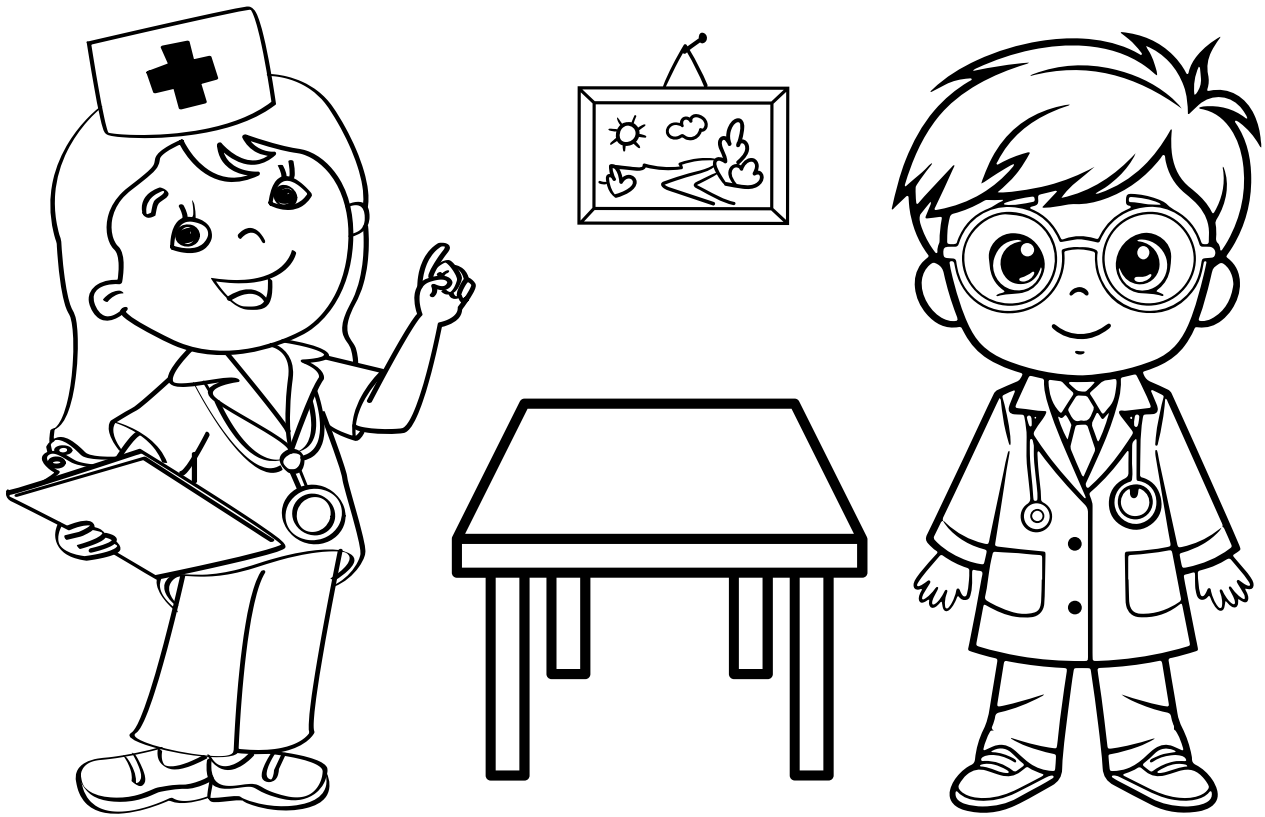

Doctor's tools: Stethoscope, thermometer, clipboard, gloves

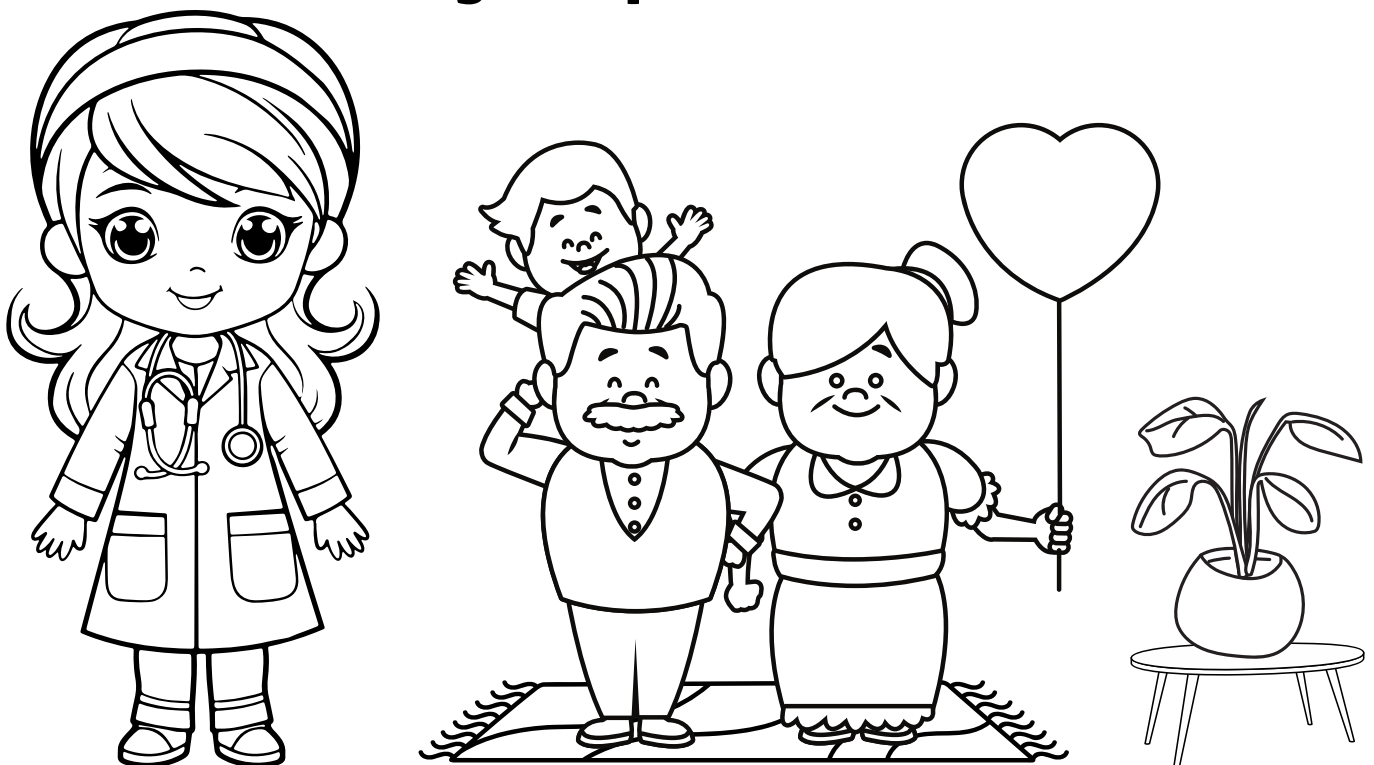

I can check heartbeats, look in ears, and give medicine.

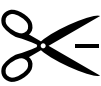

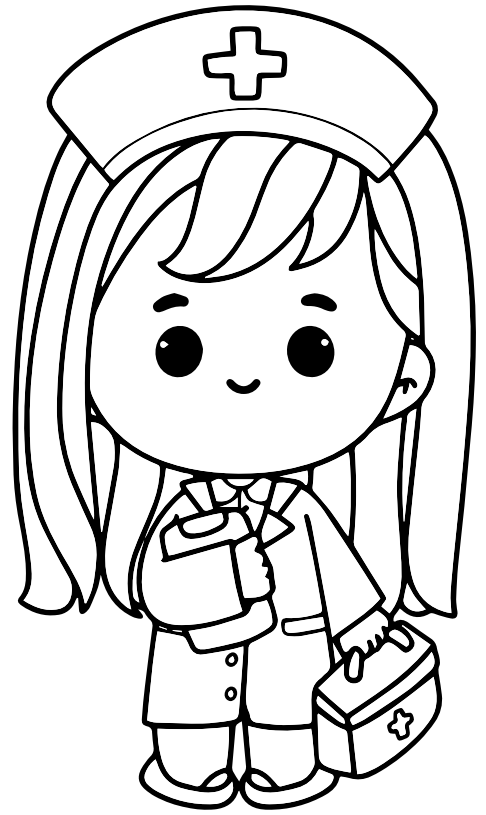

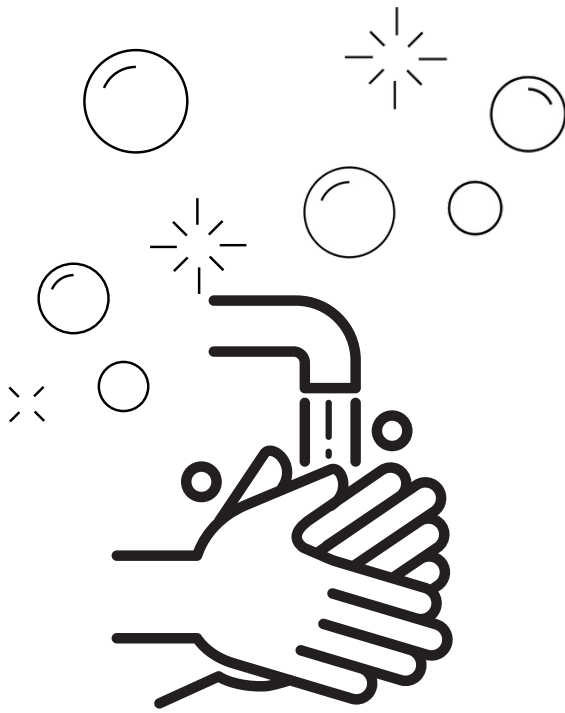

I work with nurses and other doctors.

Sometimes I help babies and sometimes I help grandparents.

I always wash my hands and stay clean for my Patients.

I always smile and say, "Take care!"
