MONTH:

A 6x7 grid of 42 empty boxes for drawing. The grid is composed of 6 rows and 7 columns of identical, empty rectangular boxes. The boxes are arranged in a uniform pattern, with a small gap between each box and a larger gap between the grid and the page edges. The boxes are intended for drawing the 42 different animals listed in the adjacent table.

Reading Reflections

How many books have you read this year?

What is your favorite genre?

Who is your favorite author?

What is your favorite book?

Describe a scene that stood out to you. What made it memorable?

If you could ask the author one question right now, what would it be?

If you could rewrite the ending, what would you change?
