

Escape from the Zoo!

Solutions

Only read the next pages if you want to know the answers to the puzzles.

You can either print this out or keep it handy on your phone to refer to during gameplay.

Keep this out of sight during gameplay!

1

Puzzle One

The pieces of the ticket have to be put together correctly. Then, you have to take all the letters from the ticket that are in capitals. They should be unscrambled to make: THREE

So the first digit is 3.

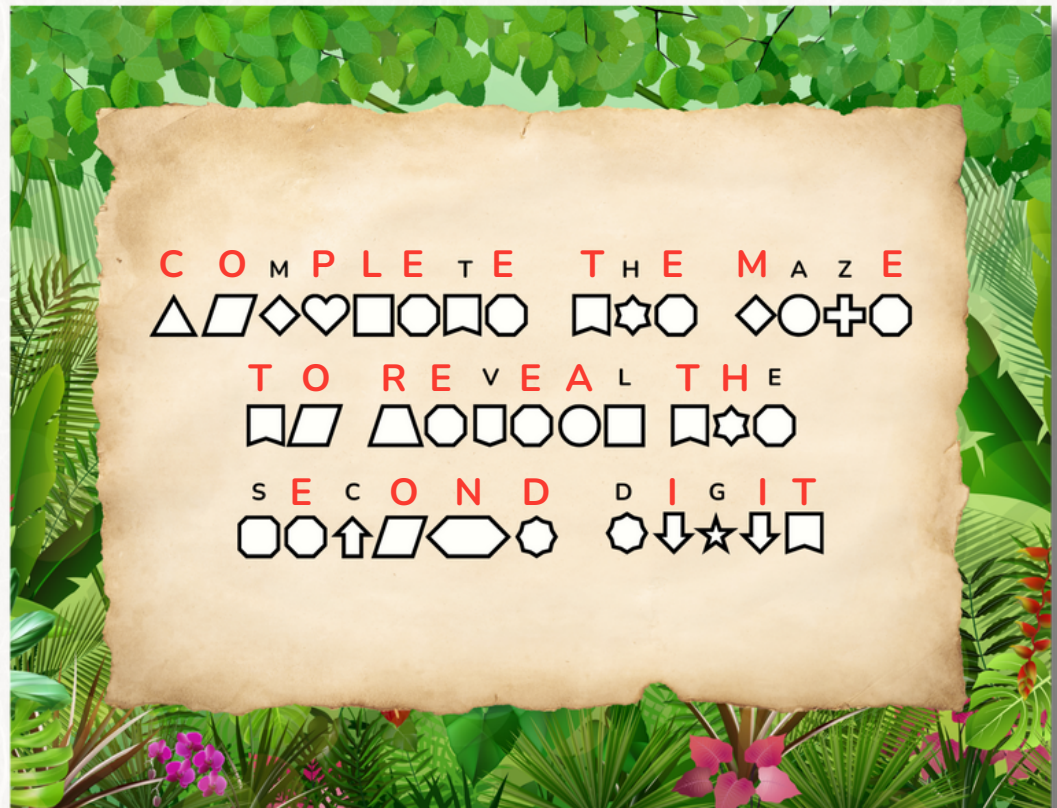

2

Puzzle Two

The hints can be used to decipher the next coded message. It should read:
COMPLETE THE MAZE TO REVEAL THE SECOND DIGIT

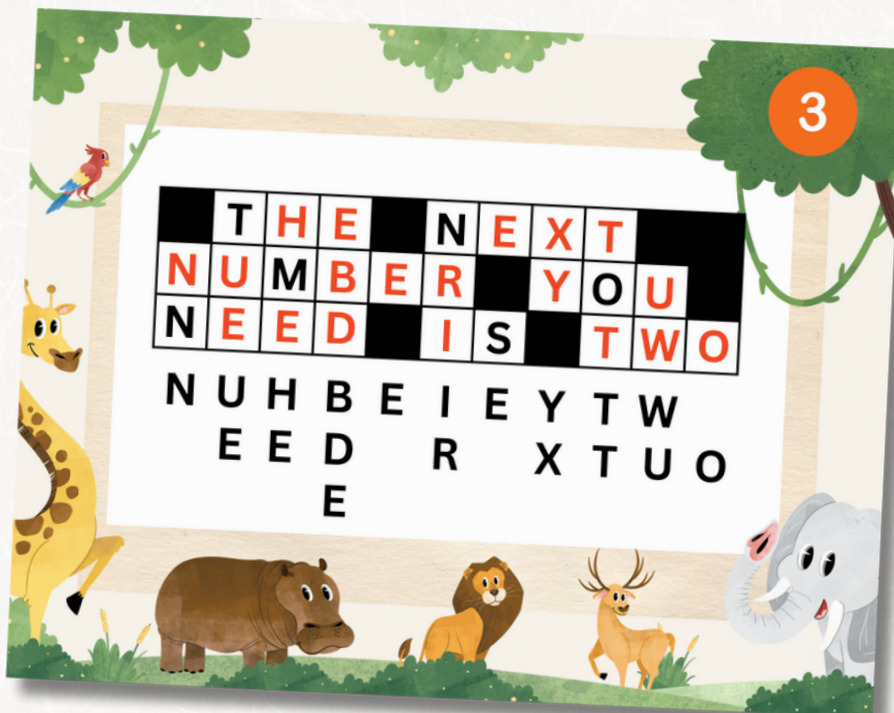

This should reveal a number pattern and that the next digit for the padlock is a 5.

3

Puzzle Three

Arrange the fallen letters back onto the board in their original order. It should read:
THE NEXT NUMBER YOU NEED IS TWO

4

Puzzle four

This spells out the number FIVE, so the last digit for the padlock is 5.

The full combination should be:

3525

Write this on the lock and you are free!
Great job solving all the puzzles.
