

An illustration of an Arctic scene featuring polar bears, seals, and birds. In the background, there are snow-capped mountains and several birds flying in the sky. A large polar bear stands on the right, while a smaller seal sits on a rock nearby. In the foreground, a group of polar bears (two adults and four cubs) sits on an ice floe. To the left, another polar bear sits on a rock. On the right, a seal sits on a rock, and a white seal pup sits on a green seaweed-like plant. The title "ARCTIC Food Chain & Web" is centered in the middle of the image.
