

PRINTABLE HALLOWEEN FINGER PUPPETS

Materials Needed:

- Printable Template
- Scissors
- Glue

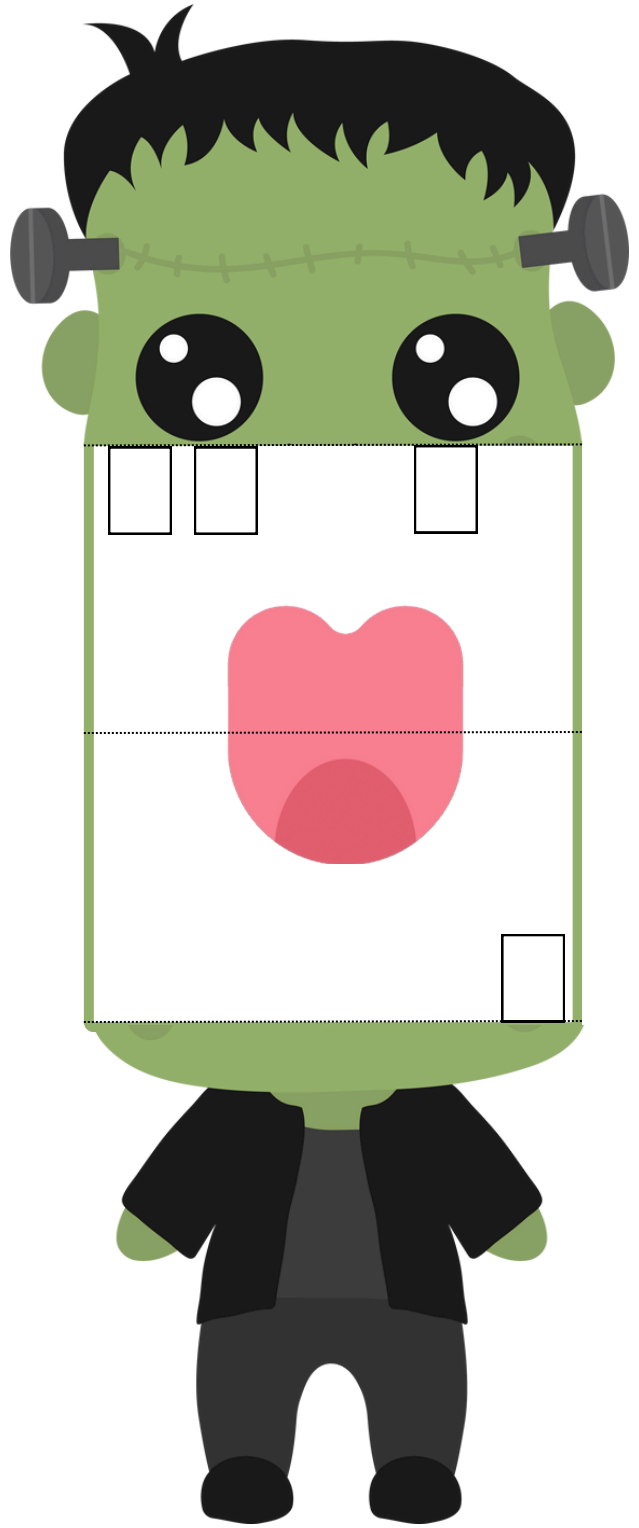

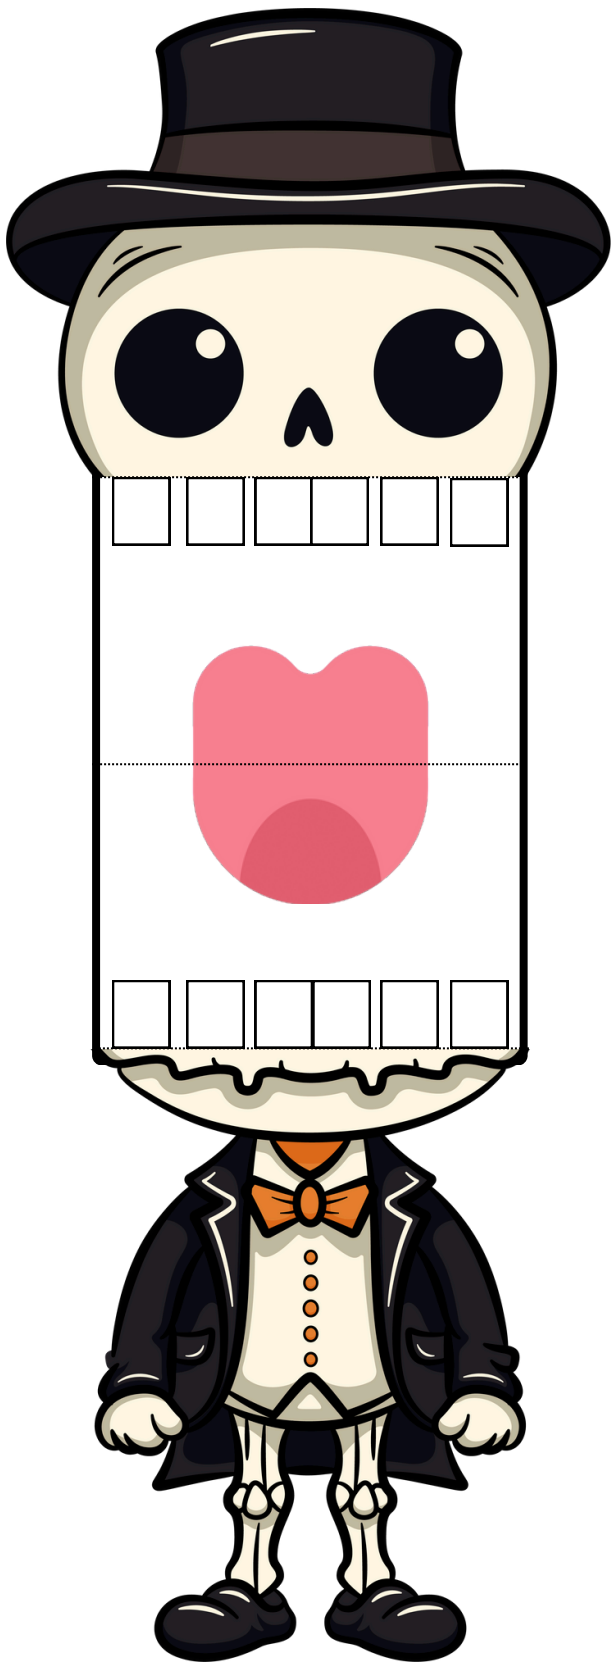

Step-by-Step Instructions:

- Print the template.
- Cut all pieces out.
- Fold along the dashed lines on both strips to create a "bridge."
- Fold the dashed lines along the puppet's mouth (top, middle, and bottom folds).
- Press the folds to make them crisp.
- Flip the puppet over and glue one paper strip to the top and the other to the bottom.
- The puppet is now ready to be used and bring it to life!

Attach to the
back of the
puppet
template.
