MOVE BACK 2 SPACES.

Cut out all the "Trick or Treat cards provided. After shuffling them, place the deck in the designated spot on the game board.

Whenever a player lands on a "trick or treat" space, they must draw the top card from this pile and follow its directions.

Roll the dice and move your piece forward by the number shown. If you land on a "Trick or Treat" space, draw a card from the pile and follow its instructions, which could move you forward, backward, or give other surprises. The game continues until one player reaches the "finish" space, and that player wins.
