PHOTO BOOTH SET

INSTRUCTIONS:

How to Use Christmas Photo Booth Set:

PRINT & CUT

- Print the photo props on sturdy cardstock for durability.
- Carefully, cut out each prop along the edges.

ATTACH TO STICKS

- Use glue, tape, or a hot glue gun to attach wooden dowels, straws, or craft sticks to the back of each prop.

STRIKE A POSE

- Hold the props in front of your face or wear them for fun Christmas Day photos.
- Get creative with different combinations for festive pictures

CELEBRATE & SHARE

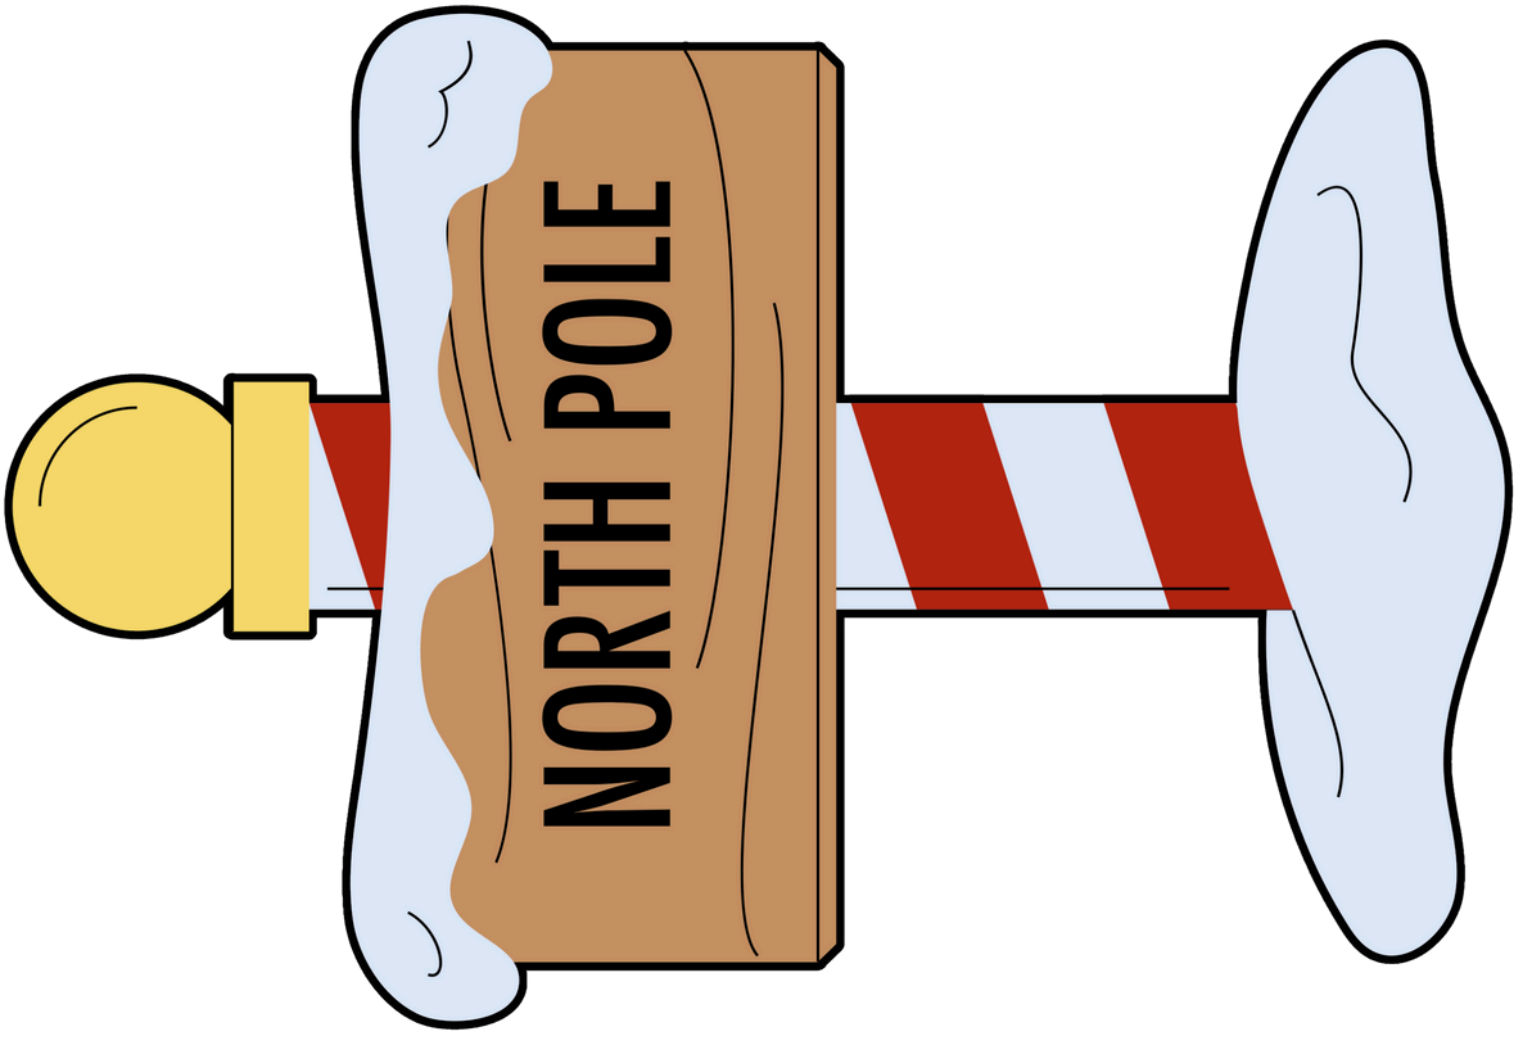

- Use these props at parties, school events, or photo booths.
- Share your photos with friend's and family to spread the Christmas Day cheer
